

SECTION F - REPORTING FRAUD

MITW has a policy of prosecuting fraud. Managers or others who suspect fraud in their department should contact the Internal Audit Department. Internal Audit suggests that the person reporting the incident should be very specific in his/her allegations.

The Office of Internal Audit can be reached at **(715) 799-5213** or **(715)799-5994**. Please call with your questions and issues related to possible fraud.
